

HOLIDAY LETTERS TO SANTA FROM THE ACCESS EQUESTRIAN HERD

2022

A number of supplies requested from the horses this year are much more affordable when purchased through our local feed supplier, Agriventures Agway in Danbury, CT. If you would like to support a local business and purchase any of the following items, please call **Agriventures Agway at (203) 743-7500**. They will take your order by phone and bring the items to us next time they make a delivery to our barn.

SPECIFIC ITEMS REQUESTED:

20 quart navy blue flat back water buckets (need 15 total)

8 quart orange feed buckets (need 5 total for Coco's feed and hay cubes)

pitchforks (6 would get us through the year!)

corn brooms (we wear them out quickly, a dozen would keep the barn clean for a year)

ANOTHER WAY TO HELP the herd is to purchase feed or supplements. We spend approximately \$2,600 per month on feed, hay substitutes (for Ivan and Coco) and salt blocks which are delivered by Agway. Adding a bag or two of feed to your order helps reduce our overall costs and the herd will be very happy their meals were sponsored. The products we regularly purchase are:

- ❖ ProElite Grass Advantage Balancer pellets
- ❖ ProElite Senior textured feed
- ❖ Purina Outlast Gastric Support pellets
- ❖ Stanlee Alfalfa Pellets (for Ivan)
- ❖ Alfalfa Cubes (for Coco)
- ❖ 4 lb Mineral Salt Blocks

Please call **Agriventures Agway in Danbury at (203) 743-7500** to place an order. Tell them it is for Access Equestrian when ordering and they will deliver next time they come to the barn!

THANK YOU AND HAPPY HOLIDAYS FROM OUR HERD!!
